

**POLLING PLACE BUFFER ZONES FOR UNION
COUNTY POLLING PLACES**

The following is a list of Union County polling places and a description of each buffer zone concerning Election Day campaigning. Buffer zones as designated by G.S. 163-166.4 (a), county board of elections, shall, where practical, set the limit at 50 feet from the door of entrance to the voting place, measured when that door is closed, but in no event shall it set the limit at more than 50 feet or at less than 25 feet.

The poll workers will mark buffer zones on Election Day with a sign labeled "No Campaigning Beyond this Point"
