## **Parents, Kids and Money Matters will be Focus of Upcoming Workshop**

**January 3, 2012, Monroe, NC** - The Union West Regional Library, in collaboration with Thrivent Financial for Lutherans, will host a free educational workshop to teach parents and their children about money management and values on Tuesday, Jan. 10 at 6:30 p.m. at the library located at 123 Unionville-Indian Trail Road.

The 50-minute workshop, called “Parents, Kids and Money Matters,” gives parents and their children ages 6-10 a chance to engage in simultaneous workshops about money management and values. In the workshop parents learn to reflect on the values they want their children to learn, teach their children about values and money and learn practical tools to make teaching about money fun. Kids will discover three basic money choices - sharing, saving and spending. They will also begin to understand that money can be used to help others.
