NEWS RELEASE

Precinct Workers Needed

January 27, 2012, Monroe NC – The Union County Board of Elections is seeking poll workers for upcoming elections.

It takes more than 350 people to operate Union County's 52 polling places each election. These people are your friends, coworkers and neighbors who are paid for working two to three days at polls to ensure you have a place to vote on Election Day.

The Board of Elections needs your help too. More poll workers are needed in your neighborhood. Do your part to provide voting opportunities in your community.

For more information, call the Board of Elections at 704 283 3809 or visit our website at www.co.union.nc.us/elections.
