County to Fund Two Positions in DA's Office

July 17, 2012, Monroe, NC – Commissioners on Monday approved an agreement to fund two assistant district attorney positions in the Union County District Attorney's Office.

The County's FY 2013 budget contains approximately \$73,500 for Union County's district attorney, Trey Robison, to employ an assistant district attorney to be dedicated to District Court and approximately \$65,000 for the DA to hire an assistant district attorney devoted to the prosecution of Union County Jail cases.

The hiring of the assistant district attorneys will continue to improve the disposition of cases involving public safety and alleviate the pre-trial jail population at the County's jail.
