MEDIA RELEASE

Voter Registration Deadline Set

March 28, 2012, Monroe NC – The deadline to register to vote in North Carolina is 25 days before the day of an election. Voter registrations must be received by county Boards of Elections by that time. The deadline for the May 8 Primary is April 13.

If an applicant mails the form, the mailing must be postmarked by the deadline in order to be deemed timely for an upcoming election. Voter registration applications submitted at DMV offices or voter registration agencies are received as of the date the form is given to the voter registration agency. As long as this date is on or before the voter registration deadline, then the application will be deemed timely for an upcoming election. Voter registration applications received after the voter registration deadline will not be processed until after the completion of the election.

Individuals who miss the registration deadline may register in person and then vote at One-stop voting sites (April 19 – May 5) during the One-stop voting period. In order to register during a One-stop period, the applicant must show acceptable proof of name and residence in the county.

For more information, call the Union County Board of Elections at 704-283-3909 or email union.boe@ncsbe.gov.
